Starting from **September 1, 2021 and until December 31, 2021**, the deadline for the end of the state of emergency, all university staff, both teaching and administrative technicians, must be in possession of and must exhibit the **COVID-19 green certification**. This provision also applies to contract professors, doctoral students, postgraduate students, post-graduate fellows, fellows, contractors, visiting professors and, on a sample basis, to all university students, including post-graduate students, as well as foreign students involved in International exchange research projects. For all information on this point read the Circular [prot. n.132631 of 03.09.2021](#).

TEACHING ACTIVITY

The International Courses, not attended mainly by Italian students, will continue to be in remote mode by decision of the President of the Degree Program.

PROFIT EXAMS

International Courses will carry out the exams in remote mode based on the origin of the students on the decision of the President of the Degree Program.

INTERNSHIPS AND EDUCATIONAL WORKSHOP ACTIVITIES

Internships and educational laboratory activities and, for courses in the medical-health area, outpatient or ward training activities can be carried out in person. It will be the task of the presidents of the CdS to access only those who exhibit the COVID-19 green certification and ensure compliance with the containment measures to counter and contain the spread of COVID-19. Curricular and post-curricular internships outside the region and abroad are reactivated.

DEGREE EXAMS

The graduation sessions of the three-year degree courses, of the master's and single-cycle degrees and of the diploma of the specialization schools, of the doctorate, of the master and of the advanced courses will be carried out exclusively in presence as the final moment of the training course only on the condition that they occur all safety and health protection conditions (social distancing, use of PPE, etc.). All those who take part as candidates or companions will have to exhibit the COVID-19 green certification.

ERASMUS PROJECTS

ERASMUS projects and exchange projects can resume international mobility only towards foreign countries which guarantee the adoption of the COVID-19 green certification for all those involved.
